LAUREL PARK COMMUNITY, LLC, a Washington limited liability company; TUMWATER ESTATES INVESTORS, a California limited partnership; VELKOMMEN MOBILE PARK, LLC, a Washington limited liability company; and MANUFACTURED HOUSING COMMUNITIES OF WASHINGTON, a Washington non-profit corporation,

Plaintiffs,

v.

CITY OF TUMWATER, a municipal corporation,

Defendant.

No. C09-05312BHS

DECLARATION OF
WALTER H. OLSEN, JR. IN SUPPORT
OF PLAINTIFFS' REPLY RE:
PLAINTIFFS' MOTION FOR SUMMARY
JUDGMENT

Note on Motion
Calendar: April 9, 2010

(Oral Argument Requested)

Walter H. Olsen, Jr. declares as follows:

1. I am one of the attorneys representing Laurel Park Community, LLC, Tumwater Estates Investors, Velkommen Mobile Park, LLC, and Manufactured Housing Communities of Washington in the instant case. I am over the age of eighteen, competent to testify, and familiar with the facts herein based upon personal knowledge.

1 2. Attached hereto as Exhibit A are true and correct copies of excerpts from the
2 written transcript of the deposition of Jeanne-Marie Wilson which I defended on February 15,
3 2010.

4 3. Attached hereto as Exhibit B are true and correct copies of excerpts from the
5 written transcript of the deposition of James Andersen which I defended on January 29, 2010.

6 4. I represented Laurel Park Community with regard to its building permit appeal.
7 Tumwater correctly notes that Laurel Park agreed to toll its appeal of the ordinance provision
8 governing replacement of mobile homes, TMC 18.04, but neglects to mention that both parties
9 expressly reserved their legal rights related to that. *See Decl. of Chris Carlson in Response to*
10 *Motion for Summary Judgment at Ex. A.* In any event, Carlson admitted to me that the City
11 Attorney agreed the ordinance was illegal, but he repeatedly stated he could not guarantee that
12 the City Council would accept the staff's recommendation that the provision be amended to cure
13 its illegality. At the time the park owners filed their summary judgment motion, Laurel Park did
14 not then know whether the City Council would reject or accept the advice of its staff and
15 attorney. When the Council amended the ordinance, Laurel Park withdrew its appeal as moot.
16 Attached as Exhibit C is a true and correct copy of Laurel Park's email to Mr. Carlson which
17 withdrew the appeal with a reservation of rights.

<p>1 multifamily properties, hospitals. We all had certified 2 specialties there so . . .</p> <p>3 Q Is the certified specialty program something that they 4 have in-house, or is that --</p> <p>5 A Sure, it's in-house.</p> <p>6 Q So there is no recognized certification by the State of 7 Washington --</p> <p>8 A Correct.</p> <p>9 Q -- or any particular appraisal group?</p> <p>10 A Correct. We just specialized in certain property types.</p> <p>11 Q In the three-year training program, was that before you 12 got your license?</p> <p>13 A Yes.</p> <p>14 Q So it would be from '92 to '95?</p> <p>15 A Right.</p> <p>16 Q When you left Palmer Groth Pietka, where did you go to 17 work?</p> <p>18 A My husband's a residential real estate appraiser, and he 19 already had a practice established in Olympia. <p>1 office in California who were the specialists in their 2 office for manufactured housing communities. 3 Q Okay. Were any of the articles that you prepared ... 4 Do you know how many you prepared? 5 A Maybe two or three. 6 Q Do you know what the topics specifically were on those 7 articles? 8 A One of the articles was surrounding RCW 59.23, when the 9 State of Washington - the law regarding tenants' first 10 right of refusal. 11 Q And what was your analysis or discussion in that article 12 concerning the right of first refusal? 13 A We were just discussing if it had an impact on value and 14 the concerns of the investor versus the tenant base. 15 Q Do you know if that was before or after the Supreme Court 16 decided the constitutionality of that statute? 17 A Before, I believe. 18 Q Any other articles that you recall the topics? 19 A No. 20 Q Do you know whether that article was published in the 21 last 10 years? 22 A Probably - probably not. 23 (Deposition Exhibit No. 1 marked for identification.) 24 25 Q (BY MR. MYERS) This is a copy of Exhibit 1, which is a</p>	<p>1 A Yes. 2 Q What instructions did Mr. Olsen give you? 3 A We discussed the case, MHCW versus the City of Tumwater. 4 And as I just said, we talked about establishing the 5 value of the parks under continued use as - under 6 continued use so that I could be I guess put in as an 7 expert witness. And because of the short time frame, we 8 limited the scope of the assignment at that time. 9 Q Okay. When you discussed the appraisal project under 10 continued use, was that instruction that Mr. Olsen gave 11 to you? 12 A It was a scope of work that we decided upon in the 13 interest of time. 14 Q So that was a mutual decision between yourself and 15 Mr. Olsen? 16 A I did not have a problem valuating it under continued 17 use. It was a valuation assignment that was acceptable 18 to me, yes. 19 Q Did you discuss deadlines for this approach? 20 A December 7th was the deadline. Right. 21 Q Was three days sufficient amount of time for you to 22 prepare your opinions in this case? 23 A Under our limited scope of work, I felt that it was. 24 Q Okay. Did Mr. Olsen discuss with you why he was 25 approaching you only three days before the deadline?</p>
<p style="text-align: center;">Page 11</p> <p>1 copy of the report that you prepared dated December 7th, 2 2009. Are you familiar with your report? 3 A Yes. 4 Q Okay. What was the nature of the appraisal problem you 5 were asked to address? 6 A It was my understanding that plaintiff's counsel needed 7 to establish me as an expert witness in a short period of 8 time. And so we limited the scope of work to include 9 valuation of the parks or the subject properties by the .. 10 income approach under continued use with the 11 understanding that I would be completing a 12 before-and-after analysis prior to trial. 13 Q Did you complete that before-and-after analysis as part 14 of your December 7th report? 15 A No. 16 Q What type of report is your preliminary report? 17 A Well, I was asked to model it after the Federal 18 26(a)(2)(B), and I called it a Summary Appraisal Report 19 under USPAP for compliance purposes. 20 Q On page 1, it notes that you were retained on 21 December 4th, 2009. 22 A Mm-hmm. 23 Q And your report was due on December 7th? 24 A Right. 25 Q Mr. Olsen was the one who retained you?</p>	<p style="text-align: center;">Page 13</p> <p>1 A He said that the other appraiser was not available to do 2 the work, the original. 3 Q Was three days sufficient to do a before-and-after 4 analysis? 5 A No. 6 Q Did you discuss with Mr. Olsen the need to do a before 7 analysis? 8 A Yes. 9 Q Tell me what your discussions were with him. 10 A Well, obviously the case centers around the before and 11 after values of these properties. So that would, of 12 course, have to be established prior to trial. 13 Q What was the effective date of value for the analysis 14 that you gave in Exhibit Number 1? 15 A December 31st, 2009 (sic). 16 Q Why did you select that date? 17 A We discussed the fact that because we were valuing it 18 under continued use, it would be appropriate to use a 19 date prior to Tumwater's ordinance change and the zoning, 20 which was, I believe, March. 21 Q So the opinions that you gave -- 22 A Oh, I'm sorry. Did I say ... December 31, 2008. 23 Q 2008. So the opinions of value that you have on page 3 24 reflect a value before the city adopted the mobile home park ordinance?</p>

1 Q Part of the LLC?

2 A Correct.

3 Q What's your position with the LLC?

4 A Manager.

5 Q Okay. And how long have you been the manager of the

6 LLC?

7 A I believe the LLC came into an existence about ten

8 years ago. I've been managing it, though, since senior

9 in high school.

10 Q Do you live there?

11 A No. I have in the past.

12 Q And when were you a senior in high school?

13 A Back in '84.

14 Q '84?

15 A '84, '85.

16 Q Tumwater High School?

17 A Yep.

18 Q And what was your education after high school?

19 A I went to South Puget Sound for about a year and then

20 started working for the State.

21 Q And what's your employment history after South Puget

22 Sound Community College?

23 A I've worked Mervyn's for about four years and then

24 started working for the State thereafter.

25 Q What do you do for the State?

4 A Yes.

5 Q Okay. So Phyllis is your mother?

6 A Correct.

7 Q Okay. And who owns shares in the LLC?

8 A Just Phyllis.

9 Q And your position with the LLC is general manager?

10 A General manager, yeah.

11 Q What are your duties as the general manager?

12 A Tenant relations, water and septic, danger trees,
13 getting contracts in there to do -- whether it's drain
14 fields, tree removal.

15 Q Would you give me a general description of the mobile
16 home park?

17 A You bet.

18 Q Size, number of units.

19 A It's 11.1 acres prime flat land. It has 39 homes on it
20 spread out over that 11.1 acres. Built in -- I believe
21 we purchased the property in '75. I think the new
22 homes came in -- or the first homes, I believe closer
23 to '77 was when they first started coming in. There
24 again, I was pretty young back then, so . . .

2 A I don't recall. It depends on if I first saw it in the
3 paper versus if it was a notice.

4 Q Do you recall when you first found out about the
5 proposal?

6 A I believe it was in 2008.

7 Q Do you recall what month in 2008?

8 A No, I don't.

9 Q But by June 2008 you certainly knew that there was a
10 proposal --

11 A Absolutely.

12 Q -- being considered.

13 Now that the city council has adopted that
14 proposal, how has it affected your operation of the
15 mobile home park?

16 A The operation hasn't -- the operating it hasn't changed
17 as far as the regular maintenance of the park. The
18 value of the park, I believe, has changed.

19 Q Does the zoning constrict your ability to charge the
20 rent that you see fit?

21 A It will.

22 Q How?

23 A If we're forced to keep it as a park, we'll be forced
24 to connect up to city sewer down the road and then
25 having to raise the rates to accommodate that.

2 Q Who's your drain-field specialist?

3 A We have all sorts of them. The one on 93rd, Jim

4 Hunter. Our soils are not good drain-field material.

5 Q What type of soils do you have there?

6 A Loam.

7 Q Is it -- is any of the soils there fill?

8 A No.

9 Q It's all naturally occurring?

10 Have you ever had anybody evaluate the suitability

11 of your soils for -- to accommodate future development

12 other than a mobile home park?

13 A I imagine.

14 Q What did they -- what did they say?

15 A I didn't speak to them. That would be my father. He

16 was a developer.

17 Q And he would have spoken to them prior to his death in

18 1985?

19 A I would assume.

20 Q So not for the last 25 years?

21 A Correct.

22 Q Okay. Does Velkommen have any plans to convert this

23 property to any use other than a mobile home park at

24 any point in the future?

25 A Currently we're not allowed to.

1 Q At the time the zoning ordinance was under
2 consideration, did Velkommen have any plans to convert
3 to any other use?

4 A I believe early on, when my father was around, with the
5 initial, was to be able to convert it.

6 Q So 25 years ago your father had plans to convert it?

7 A Sure. He developed two of the -- some -- two of the
8 developments right down the street from us.

9 Q Okay. Why didn't he convert this park --

10 Do you know why he didn't convert this park before
11 he died?

12 A It was -- let's see -- '77 to '84. I was pretty young.
13 All the infrastructure he had just put in that would be
14 viable.

15 Q Okay.

16 A Usually would wait about 20 years or so, 20 to 30
17 years.

18 Q Do you know whether there were any time tables or
19 written plans for when that conversion would occur?

20 A Nope.

21 Q Just something he was thinking of at some point in the
22 future?

23 A I believe so, keeping his options open, putting the
24 land in the bank.

25 Q When you first learned that this city ordinance was

1 being considered, did you have any specific plans to
2 propose conversion of the Velkommen park?

3 A I wanted to get rid of it.

4 Q Why?

5 A Because I know what -- I know what's right down the
6 road, and I don't want to see the people's faces when
7 their rates go up or when they're forced to move out of
8 the homes because of the ordinance the city has
9 imposed.

10 Q Okay. So your plan was to sell it at -- at that point,
11 correct?

12 A We have entertained a couple offers throughout the
13 years. And in 2008 -- well, I shouldn't say
14 "entertained." We had gotten several offers prior to
15 2008. When we saw the ordinance, we decided enough's
16 enough; you know, we weren't going to hold out any
17 longer, wanted to get rid of the park --

18 Q Okay.

19 A -- 'Cause the value's just going to be shooting down.

20 Q So prior to the time the City adopted this ordinance,
21 is it fair to say you did not have plans to convert the
22 park to a different use under your ownership?

23 A I don't own it.

24 Q Or under the LLC's ownership.

25 A I believe -- I believe we have looked -- or I believe

1 the idea was entertained to develop it.

2 Q What does it mean that the idea was entertained? I
3 don't understand what you mean.

4 A How could you not know what it means? I mean, we
5 thought of developing. If you have a 5-acre chunk with
6 a little beat-up house, you're entertaining the idea of
7 some day maybe there would be more than just a house.

8 Q Okay. When did you entertain those ideas?

9 A I didn't entertain it. I think the family as a whole
10 entertained it.

11 Q Okay. Tell me about the decision-making structure
12 within Velkommen Mobile Park, LLC.

13 Who has the authority to make decisions within
14 that entity?

15 A I would say I've got the decision-making. I believe
16 Phyllis has the decision-making. Well, I know she's
17 got it 'cause she's the owner.

18 Q And she owns 100 percent of the shares?

19 A She owns 100 percent.

20 Q Do you discuss with her her plans for the property?

21 A Yes.

22 Q Did you ever discuss with her a plan to redevelop the
23 property under the existing ownership?

24 A I believe the family has entertained the idea of
25 developing it.

1 every year, but we've just always had kind of pretty
2 much dismissed them.

3 Q Okay. What made -- what caused Velkommen Mobile Park,
4 LLC, to offer the property for sale with NW Park
5 Brokerage in 2008?

6 A We got frustrated with our property rights being taken
7 away from us.

8 Q Now, the beginning date on this is May 9, 2008.

9 A Uh-huh.

10 Q At the time that this was entered into, I take it then
11 you knew that the City was proposing a mobile-home-
12 park --

13 A It was --

14 Q -- ordinance.

15 A It was in that time frame there.

16 Q Okay.

17 A I believe we must have gotten something -- like I said,
18 either something was in the paper or something in --
19 came through in the mail.

20 But there's just things that are happening within
21 the park; things are getting old. And we just want to
22 make sure that, you know, if we're going to be selling
23 it, we're selling it while it's still functional.

24 Q Okay. How was it you arrived at the \$1.8 million

1 A Like I said, NW Park Brokers told us 1.8 would be a
2 very good price. Also from past offers from preceding
3 years.

4 Q Okay. How many offers had you had in the year
5 preceding, say, beginning January 1, 2007, through
6 May 9, 2008?

7 A Significant ones, we had one significant one.

8 Q Who was that from?

9 A Mark Valko, commercial realtor.

10 Q Is that V-a-l-c-o?

11 A V-a-l-k-o, I believe it is. You see signs down south.
12 He had a local businessman that wanted the park.

13 Q Who was the --

14 A Wanted it also the previous year, in 2006.

15 Q Who was that local businessman?

16 A He's an insurance guy right down the street here on
17 Capitol Boulevard. Ingram, I believe his name is.

18 Q Lee Ingram?

19 A Yeah.

20 Q Did he make you any written offers in 2007 or early
21 2008?

22 A I can't recall if they were written. We met, though.

23 Q When did you meet?

24 A In 2006 I believe it was.

25 Q Okay. And what did you discuss with Mr. Ingram?

3 A We were hanging onto it, and we were going to develop
4 it potentially or sell it, whatever the decision was
5 going to be made. And when we saw the ordinance, we
6 knew that -- that if we didn't move one way or the
7 other, that we wouldn't even have a retirement for

Subject: Laurel Park #10 Permit Appeal

Dear Chris:

Without waiving any legal right or remedy arising in my pending federal lawsuit against the City of Tumwater, I would like to withdraw the appeal on the administrative determination issued by the City of Tumwater regarding a home for space #10 at Laurel Park Estates.
